EDUCATION

Delhi Public School, R.K. Puram, Batch of '20

GRADE 10

CBSE board percentage: 94.3%

GRADE 11

Subjects: physics, economics, maths, computer science (science stream)

ACADEMIC AWARDS

Scholar badges (grades 5-10), Blue Tie, Red Tie

SAT SCORE

1540/1600 *(May 2019)*

SKILLS AND INTERESTS

I love to make things: my passion for creating started out with Legos when I was 8, and it continues today through code & design.

On a boring day, you can find me surfing Wikipedia or writing code to make my life easier.

WORK EXPERIENCE

Interned at AttentiveAI, an AI startup, in 2016.

EXTRACURRICULARS

TECHNOLOGY & ENTREPRENEURSHIP

President at Exun Clan, the school computer club.

Winner of 20+ inter-school and national high-school technology debates, tech quizzes, design events and hackathons.

Winner of AngelHack Delhi 2019 against 30+ college teams. Built Atticus, an app aimed at breaking filter bubbles.

Defending national winner of the Texas Instruments Science & Technology Quiz.

Conrad Challenge Finalist & Winner of NASA Goddard Award 2018–19 — *CEO of Katang Labs*

QUIZZING

Winner of several high-school and collegiate general quizzes, and finalist at the Columban Open Quiz.
